

PRODUCT SUBMITTAL - MORTAR CLEARTM WEEP VENTS

Material Conformance:

Mortar ClearTM Weep Vents are specifically designed for masonry cavity wall systems, allowing trapped moisture to drain freely while promoting healthy air circulation within the cavity all while keeping insects out. The vent's flexible, compressible construction allows it to fully seat within the weep hole opening for a secure, gap-free fit, and its unique self-gripping texture locks it firmly in place with no need for fasteners or adhesives.

Features:

90% open-weave polyester mesh
Available in Brown, Tan, Red, Almond, White, Gray, Black
Custom sizes and cuts available on request
Sold in easy-tearoff sheets for easy handling on the job
Conforms to ASTM E2925

Sizes/Finishes:

Material: Structural Polymer Strand Mesh

Size:

2-5/8" x 3-1/2" x 1/2" thick material - standard size
3-1/2" x 3-1/2" x 1/2" thick material - jumbo size

Color:

Brown	Tan	Red	Almond
